Three Months Forecaster

As the planets move around the zodiac they make 'aspects' or angles to the planets in your birth chart. In astrology these 'aspects' are called 'transits' and they are detailed in the pages that follow.

Sometimes a planet may aspect another, then appear to move forwards and then backwards for a long period of time recreating the same 'aspect' several times over. This backwards motion is known as 'retrograde' motion.

This forecast can be used as a helpful guide to the next three months. At all times it is for you to choose the best path to follow and develop the most positive parts of your character.

Open your mind

Your focus should now be on philosophy, legal matters, long distance travel and in-depth study. Craving new experiences, you may feel the need to change the direction of your life quite dramatically. Travel would be a good way of acquiring new knowledge which in time will provide a greater faith and awareness of life. If physical travel is not possible, then there is always inner travel through meditation. But beware the tendency to be constantly seeking new horizons and new subjects before you have had a chance to properly take in or consolidate what you have already discovered or learned.

Health watch

This is a time of discipline, enterprise and initiative. You will now work extremely hard to get things done, and will take extreme pride in the work that you do. However, you will not be very tolerant of anyone lording it over you, preferring to be your own boss. This could therefore lead to conflicts with those in authority, especially if you are not getting the credit you think you deserve. Also beware impatience with less energetic employees or colleagues. Keep physically active otherwise repressing frustrated energies could build up inner tension which would eventually cause health problems or accidents.

Start of new 11-12 year period of 'personal achievement'

Luck is with you!

Greater self-confidence together with positive thoughts and actions will enable you to accomplish much more than usual during this time. You will be more aware of what is happening around you. Because you feel great you will be looking great!

Plans and projects are likely to proceed smoothly to a satisfactory and lucrative conclusion. Business transactions are therefore to be encouraged. Once in a lifetime chances should not be ignored - be they either business or personal.

New friendships will be formed, probably with influential people who can in some way help to raise your standard of living. For example, they may introduce you to new job opportunities, or provide support in business ventures. However, beware an element of arrogance with your newly acquired status. A temporary bout of giddiness at such new, previously unexplored, heights is understandable - but you must learn to quickly adjust and remember that everyone is equal.

Being quite lucky you may also win competitions around now - so why not fill in all the competition coupons you can find and keep your fingers crossed!

Health should improve, but do beware the tendency to gain weight quickly. You should particularly avoid sweet foods; this is not a time to indulge your sweet cravings!

Midas touch

This would be an excellent time to start anything new. Feeling restless, adventurous and extremely receptive to new ideas, you will now be looking to do something completely different - and whatever you do start during this time should turn out well. Business deals should be particularly profitable around now.

In fact, financially, this could prove to be an extremely successful and lucrative time in your life. Feeling confident that you have the Midas touch, you will be more than willing to take a few calculated risks. Just one word of warning, do make sure that any risks that you do take have first been properly considered. Think carefully and wisely before making major financial commitments.

Taking up some kind of new study or retraining could also work to your advantage. Be brave enough to take a bold step forward towards a new path or direction. Any decisions made now should work to your benefit even if you don't immediately see and reap the rewards - they will eventually come.

As you will also be feeling so loving towards friends, lovers and family why not consider taking a holiday around now with someone you love? Or, if you can't get away, maybe the holiday will come to you. You may have surprise visitors from abroad perhaps even family that you haven't seen for a long time!

Dynamic energy

An incredible restless, dynamic, energy will make you crave for personal freedom and independence during this time. Restrictions in your life simply will not be tolerated and you will rebel against anyone who tries to hold you back. People with some kind of authority over you, such as employers, parents or government officials, are now likely to bear the brunt of your rebellious and angry nature. You are now prepared to do battle - and nothing and no one will stand in your way!

If you are usually a very placid person, sensitive to other people's needs more than your own, then don't be tempted to hold all this rebellious anger within you just for the sake of keeping the peace. All this dynamic energy must find an outlet (possibly even through hard physical work) otherwise pent-up emotions could lead to illness.

There is another scenario to the planetary aspects affecting you at the moment. You may find that a close loved one may actually rebel against you - perhaps you haven't been allowing enough personal creative and emotional freedom to certain individuals.

Being more willing to take impulsive risks during this time - you may find yourself more accident-prone than usual. So take special care when driving a car, or handling heavy and dangerous machinery.

Strong foundations

To say that you've had a better time in love relationships would be an understatement. Tension, conflict, friction; they are all words to describe the way you are now likely to be feeling towards a partner. If there have been problems which have been bubbling away beneath the surface, they are now likely to erupt and if the differences are irreconcilable, then the relationship may come to an abrupt halt.

However, a strong and basically secure relationship, built on firm foundations, could survive this rather turbulent period - and although by the end of all the emotional combat you may both emerge somewhat 'worse for wear', you will also emerge with a stronger understanding of each other's needs and a love which will survive against all odds.

This unsettled, restless and impulsive conduct could affect all areas of your life, not just your love life. Work, career, relationships with friends and family, they are all now vulnerable to a sense of anxiety and tension. You are now likely to feel that you just can't be bothered with all the pressures and responsibilities that life throws forward on a daily basis. However, when planning your escape route, be sure that your plans are carefully thought out or the escape route could lead you down dangerous paths. If badly planned tunnel walls collapse, then feelings of restlessness could turn into lonely helplessness.

Letting go

If a love affair or relationship has recently ended, avoid the temptation to stray back - no matter how lonely or depressed you may be feeling.

Some of you may be feeling tired and worn out, as if you have nothing left to give. This is painful, but don't be too hard on yourself. There is a lesson to be learned now. Perhaps in the past you had set your ideals far too high, creating a situation where you were constantly seeking an almost impossible perfection in yourself and others. In future, you may stop being so critical and the pedestal may not be set quite so high - you may allow yourself to be a bit more realistic. But for now, no matter how you feel, let the past go; there IS a happy and bright future to look forward to.

Holding on

The temptation to break free of certain restrictions and responsibilities will be difficult to resist. Craving adventure, excitement, or simply just something new in your life - you could now make a dash for freedom. The only problem, however, is that you may throw the baby out with the bath water. By all means rid yourself of any unnecessary restrictions and burdens - but also make sure that you hold on to anything that is useful and productive.
